Course Policies:

1. Note SU's religious observances policy at http://supolicies.syr.edu/emp_ben/religious_observance.htm. Students are provided an opportunity to make up any examination that may be missed due to a religious observance provided they notify their instructors before the end of the second week of classes.
2. If you believe that you need accommodations for a disability, please contact the Office of Disability Services (ODS), located in Room 309 of 804 University Avenue, or call (315) 443-4498.
3. The Syracuse University Academic Integrity Policy holds students accountable for the integrity of the work they submit. Students should be familiar with the Policy and know that it is their responsibility to learn about instructor and general academic expectations with regard to proper citation of sources in written work. The policy also governs the integrity of work submitted in exams and assignments. Serious sanctions can result from academic dishonesty of any sort.
4. If you arrive late to an exam or quiz, I will allow you to take the exam in the time that remains as long as no one has turned in his/her exam and left the room. Once a classmate has turned in his/her exam, you will earn a zero on the test if you arrive late.
